

Essential Evidence Plus 統計取得方法

- 1) <http://www.essentialevidenceplus.com/clientadmin/> にログイン
- 2) Username/Password を入力し、LOGIN をクリック

The screenshot shows the login page for the Essential Evidence Plus Subscription Management site. At the top left is the logo for 'ESSENTIAL EVIDENCE PLUS' with a globe icon. To the right of the logo is a green header bar with the text 'SUBSCRIPTION MANAGEMENT'. Below the header, the main heading is 'Subscription Management Login'. A paragraph of text explains that this is the site for administrators of institutional subscriptions and that JavaScript and cookies must be enabled. Below this, a message asks the user to log in with their organization's administrator username and password. There are two input fields: one for 'Username:' and one for 'Password:'. Below the password field is a yellow 'LOGIN' button.

- 3) Web Usage Statistics をクリック

The screenshot shows the main dashboard of the Essential Evidence Plus Subscription Management site. At the top left is the logo for 'ESSENTIAL EVIDENCE PLUS' with a globe icon. To the right of the logo is a green header bar with the text 'SUBSCRIPTION MANAGEMENT'. Below the header is a navigation menu with links: Home, Support & Training, Manage User Access, Manage Account, View Reports, and Contact. Below the navigation menu, the user is welcomed as 'adminjrcmc from Japanese Red Cross Medical Center'. The main heading is 'Essential Evidence Plus Subscription Management Site'. Below this, there is a message: 'Welcome to the Subscription Management site, where you can manage your organization's Essential Evidence Plus subscription.' The dashboard is divided into several sections: 'What's New' with links for 'December 2007 Release', 'POEM of the Week Podcast', and 'Earn CME'; 'Manage User Access' with links for 'Manage Daily POEMs Email Lists', 'View Essential Evidence Plus Registrations', and 'Manage Institutional Account'; 'Support & Training' with links for 'Download: Product Manual', 'Find training materials', and 'Mass Installation Files'; 'View Reports' with a link for 'Web Usage Statistics' (highlighted with a red circle); and 'Contact Us' with a link for 'For More Help and Information'.

Essential Evidence Plus Web Usage Statistics: April 2009

April 2009

We are in the process of developing this statistics page for your benefit. If there are particular statistics that you are interested in tracking, please send a note to webmaster@essentialevidenceplus.com with your request and we will try to include them on these pages.

Access Totals

This data represents the number of times that a user authenticates as a member of your organization with our Online Access area. Each "Session" is recorded once, e.g. each time your unique Access URL is clicked, or each time your username/password is entered, or the first time each hour or so that a particular computer in your organization's IP Address range visits the site.

Accesses by IP Address Recognition	4
Total Number of Accesses	4

Daily Activity

The number of accesses per day over the month.
