The screenshot shows the 'Usage Reports' page on the NEJM website. The page title is 'Institution Administration Center'. The user is logged in as 'JAPANESE RED CROSS MEDICAL CENTER LIBRA'. The 'Usage Reports' tab is selected. Under 'COUNTER REPORTS (JULY 2010 - PRESENT)', there is a section for 'Report Delivery via Email'. The 'Select Reports' section has a dropdown menu set to '2010' (annotated with '統計を取りたい年') and several checkboxes for report types: 'Select all reports', 'Journal Report 1', 'Journal Report 1a', 'Journal Report 2', 'Journal Report 3', 'Consortium Report 1', and 'Consortium Report 2'. A bracket groups these checkboxes with the annotation '欲しいレポートの種類'. The 'Select file format(s)' section has checkboxes for 'XML', 'HTML', and 'Tab Delimited', with a bracket and the annotation 'レポートの形式'. The 'Email Reports' section has a text input field for 'Email Address(es)' containing 'jrcib@rcri.ned.nyu.edu' (annotated with '送り先のメールアドレス') and a 'Submit' button circled in red with the annotation 'クリック'. The right sidebar contains information about access, a note on COUNTER reports, customer service, institutional sales contacts, and frequently asked questions.
