Download

Welcome to Usage Reporting

The following usage reports are currently available:

- COUNTER Journal Report 1 – Number of Successful Full-Text Article Requests by Month and Journal
- COUNTER Journal Report 1a – Number of Successful Full-Text Article Requests from an Archive by Month and Journal
- Journal Report 1b – Number of Successful Full-Text Article Requests by Month and Journal (Front File Only)
- COUNTER Books Report 2 – Number of Successful Section Requests by Month and Title
- Article Select Token spend for all products
- The Cochrane Library Report
- Current Protocols Report

Usage reports incorporate August 2010 InterScience data (for the COUNTER and JR1b Reports) and Online Library data.

Subsequent to the availability of all 2010 data, the URL to access the XML JR1 and JR1a Reports using a SUSHI client will also be published.

More reports will be made available later.

Customers registered with Crystallography Journals Online: Please obtain a separate usage report for accesses made directly through that site.

Customers with access to Wiley titles on HighWire, JSTOR, EBSCO and other sites: Please also obtain separate usage reports for accesses made to Wiley titles through those sites.

You can access your historical usage reports from Wiley InterScience by clicking on the link [Access Usage Reports up to August 7 2010](#)
